

Transporting Students in Private Vehicles Policy

In order to comply with our insurance standards and maintain the "Best Practices" approach to the use of private drivers the following documents will be required from all parent, volunteer, and school personnel drivers:

- Copy of a valid driver's license
- Copy of current insurance for vehicle to be used
- Copy of valid vehicle registration
- Vehicle will have a current inspection sticker and be in good working order

Each driver will provide the documents to the Main Office prior to every trip and a copy will be made by the school. Each driver understands they will follow all traffic laws in the State of New Hampshire. This includes no cell phone use or texting while driving, no medication or consumption of any item that may cause impairment while driving.
